

2024 to 2025 Corporate Membership Package

We're thrilled to continue growing a network of progressive and dedicated industry leaders and businesses with Women in Bus and Coach. Your support has been invaluable in helping us shape a more inclusive future in the Bus, Coach and Community Transport sector. As we enter our second year, we invite you to reaffirm your commitment or become part of our movement for the first time, with membership options to suit every size and type of organisation.

Women in Bus and Coach will continue to challenge and eliminate barriers currently faced by Women in the Bus, Coach and Community Transport profession. This change will help to make sure that women have equal access to a career in the industry and a workplace designed around their needs.

CORPORATE MEMBERSHIP TIERS

GROUP MEMBERSHIP - £25,000:

This level is tailored for large groups in the bus and coach. Group members gain access to comprehensive benefits, including exclusive networking opportunities, event participation, and more. By joining as a Group Member, you're taking a lead role in promoting equality, diversity, and inclusion across the sector.

STANDARD MEMBERSHIP - £5,000:

For regional bus and coach organisations, and organisations whose businesses support the bus, coach and community transport sector, Standard Membership offers a valuable suite of benefits designed to drive impact, facilitate growth, and foster a community of like-minded leaders working towards shared goals.

NEW "SUPPORTER" MEMBERSHIP - £250:

Our new Supporter Membership is ideal for smaller businesses, individuals, or those unable to commit to a larger membership but still wish to align with and show support for our mission. Supporters gain the recognition of their commitment to supporting and empowering women in the Bus, Coach and Community Transport industry, with a mention on our website, and the satisfaction of supporting a positive movement. This flat rate of £250 provides an accessible way for everyone to contribute without a larger financial commitment.

WHY JOIN OR RENEW AS A CORPORATE MEMBER?

Every membership with Women in Bus and Coach demonstrates the industry's commitment to fostering a more inclusive environment. Whether you're a Group, Standard, or Supporter Member, your participation is a public declaration of your company's values and vision for a more diverse and equal workplace. Together, we're shaping a sector that welcomes all and thrives on collaboration, innovation, and respect.

All members will be able to use the Women in Bus and Coach logo on their social media and marketing for the period of membership, and we will list them on our website, and put out at least one specific relevant social media post per media.

Your logo will also feature on relevant printed or digital material during Women in Bus and Coach involvement in industry event or our own organisation events. Membership will run for one calendar year. Women in Bus and Coach activity and support will be free to access for individuals in the Bus, Coach and Community Transport profession.
